Collective Liberation for

Convocation
— 2022 —

Thursday & Friday, October 6 - 7 • Online

As we hear daily news of traumatic change, suffering, and crisis, we long for a world that holds justice and peace for all people and all beings. But how do we co-create such a world — one in which thriving is the right of all? Inspired by a group of thoughtful presenters, artists, and leaders, we'll explore what it means to nourish our imaginations toward a world of joyful possibility and embodied hope, while also holding space for the difficult realities we are facing. We hope you will join us!

- **\$40 Early Bird Registration before September 15**
- **\$50 after September 15**
- **Groups of 3 or more registering together use code FIVEOFF for a discount**

The first 150 people to register by September 28 will receive a BTS Box in the mail, filled with supplies and surprises to enhance your Convocation experience.

Held annually, continuously since 1905, Convocation is a legacy program of Bangor Theological Seminary, predecessor to The BTS Center. We are delighted to carry on this tradition, 117 years in the making, drawing upon the enduring wisdom of the generations of leaders who have come before us while exploring today's most urgent and compelling issues.
