CONVOCAATION 2023

Kinship: Reweaving the Great Web of Belonging

Thursday & Friday, September 28 & 29, 2023
In person in Hallowell, Maine

The BTS Center invites you to **Convocation 2023** – this year taking place as an in-person event at Maple Hill Inn and Conference Center in Hallowell, Maine.

Over the course of two days, we will gather to learn and explore, to nurture a sense of community, and to seek respite and renewal.

We look forward to welcoming **Victoria Loorz**, author and co-founder of the Wild Church Network, and **John Bear Mitchell**, musician, storyteller, and citizen of the Penobscot Nation, who will inspire us with wisdom and guide us to to reimagine our relationships with all living beings and with the earth. **Rev. Liz Fulmer**, a queer pastor, recording artist, and musical storyteller serving Grandview Church in Lancaster, Pennsylvania, will help us to weave this gathering together with song.

Convocation 2023 will include music, poetry, and ritual; plenary sessions and small-group conversation; opportunities to engage with nature; and both embodied and contemplative practice.
